

# 9<sup>th</sup> Annual Science Camp

## Hey Moms and Dads!

Did you know that science.....

- \* increases *critical thinking skills*?
- \* develops *problem solving* approaches?
- \* prepares children for *higher-level thinking* in high school?

## An Exciting-Week Camp

**Place:** Manasquan Elementary School

**Date:** July 6- July 10th

**Time:** 9am -12:00 pm

**Age:** incoming 4<sup>th</sup> to 7<sup>th</sup> grade

**For more information call:**

**Thomas Glenn (908) 675-5210**

**Or visit our website:**

**[www.manasquanschools.org/Page/2474](http://www.manasquanschools.org/Page/2474)**

## Registration Form

Camp is \$175 for whole week or \$50 per day.  
Enroll with a family member, deduct \$25 from total.

**Days planning to attend: Please Circle**

Mon.   Tues.   Wed.   Thurs.   Fri.   Whole week

Make Checks out to Tom Glenn and mail to:

Thomas Glenn

304 Sudbury Rd.

Pt. Pleasant, NJ 08742

## CAMP DESCRIPTION

The camp is designed to give students a real hands on experience with different FUN science experiments. We will conduct experiments in range of subjects including chemistry, forensics, engineering, and physics. Students will learn how to make observations, use scientific method, record data, and analyze their results. So if your kids love the booms, the goo, the wows, and the ingenuity that science offers, then this is the camp for them. Your children will go home with smiles every day!
