SUBJECT: Souper Bowl of Caring Food Drive

**THE NJHS IS PARTICIPATING IN A COMMUNITY SERVICE PROJECT CALLED
"SOUPER BOWL OF CARING"**

This food drive is held the week prior to the NFL Super Bowl. The day of Super Bowl is the second largest U.S. food consumption day. This is also the time of year when food banks are in need of the most donations.

The NJHS would like to help the many needy families in our community. We will start collecting soup and canned goods on Monday January 26 through Thursday January 29, 2015. Our donations will benefit the Bradley Beach food pantry.

Thank you in advance for your anticipated cooperation and generosity!
