Session Three (March 3rd-April 28th)

Beach Program is offered after school:

(3:00pm – 4:00pm) Mondays and Thursdays

Help 5th-8th grade students increase their academic performance; improve on study habits, executive functioning, and help set up a system of organization!

Assist students in learning how to work productively with others, exercise personal responsibility, set and meet high standards and goals for themselves, and build important skills for school and life success.
