

## 21st Century Life and Careers Curriculum

K-8

### Curriculum Overview

*The Avon School District's 21st Century Life and Careers curriculum is grounded in a partnership with Junior Achievement (JA) to provide students with "the knowledge and skills they need to own their economic success, plan for their futures, and make smart academic and economic choices" (JA, 2013). Students will experience a series of lessons within a unit of study that focus on the areas of work readiness, entrepreneurship and financial literacy in order to demonstrate the skills and opportunities relevant to today's economy and worldwide market. Using these acquired skills and knowledge, the 21st Century Life and Careers curriculum aspires to have students prepared to succeed in a global economy.*
