

World Language Curriculum

Third Grade

[*The New Jersey Student Learning Standard*](#) – World Languages (NJSLS-WL) is a guiding document toward participation in the state’s global society. As one of the most diverse states in the United States, New Jersey encompasses a multicultural, global citizenry. In all regions, there are people speaking and interacting with others in different languages; there are street signs in several languages and international enterprises conducting business in English and in a multitude of other languages. The New Jersey Department of Education, whose mission is to equip students with necessary knowledge, skills, and attitudes to participate successfully in the 21st century, embraces the state’s multiculturalism and diversity, including the acquisition of diverse languages and cultures.
