Friday, 10/13:

Geometry (Chapter 2 Test) Algebra (3.1 - 3.4 Quiz)

Contact Information:

E-mail: dlacugna@avonschool.com Phone: 732-775-4328 ext. 222 This week in Geometry: This week in Geometry, the students performed different transformations on a coordinate plane as well as off of the coordinate plane. A new mathematical tool that is introduced in Geometry is a compass and protractor in one device (please visit the Geometry page on my class website to see a photo of this tool). The students performed reflections and rotations using this tool partaking in a handson experience. Keep up the great work!

This week in Homeroom: The 6th grade students in homeroom discussed many different ways to be respectful to themselves, others, and the environment in honor of Respect Week. Great job 6th grade!
