E-mail: dlacugna@avonschool.com Phone: 732-775-4328 ext. 222 **This week in 6<sup>th</sup> Grade:** The 6<sup>th</sup> grade class has been working so hard all week with applying their orders of operations. They were introduced to "Please Excuse My Dear Aunt Sally" and next week will be coming up with their own pneumonic devices to help remember the order. In addition, the 6<sup>th</sup> grade class participated in two fun activities of PEMDAS Bingo and PEMDAS Jeopardy to help practice and review for their quiz next week. Great job 6<sup>th</sup> grade, keep up the great work!

**This week in 7<sup>th</sup> grade:** This week in 7<sup>th</sup> grade, the students continued to impress with their application of understanding the relationship between squares and square roots and cubes and cubed roots being inverse operations. Excellent job 7<sup>th</sup> grade, and continue thinking outside of the box!
