

## Mrs. Lazarchick's Newsletter

## Week of January 1st:

(Please visit the Assessments Calendar tab on my class website as well as your student's Google Calendar as changes may occur)

> Thursday, 1/3/19: 8<sup>th</sup> Grade Math (Topic 3 Assessment)

Friday, 1/4/19: 8<sup>th</sup> Grade Math (Topic 3 Assessment cont'd) Geometry (Triangles Assessment)

Have a very wonderful holiday and a happy, healthy new year! See you in 2019!

Contact Information: E-mail: dlazarchick@avonschool.com Phone: 732-775-4328 ext. 222 This week in 6<sup>th</sup> grade math the students began a project on a career that involves mathematics. The students used the following website

(http://weusemath.org/?career=teacher-highschool) which includes a list of different careers. Each career not only explains how math is utilized, but it also shares education required, wages, and potential employers. The students each picked their own career from the list and created a Google Slide presentation. The students also researched different majors and colleges for their career. It was exciting to see that some students found their career, which they never even heard of, to be very interesting to them! The students had the opportunity to share their presentations with their classmates, only if they volunteered to. Great job 6<sup>th</sup> grade, keep working hard!

I would like to take this time to wish everybody a Happy Holiday and Happy New Year! 2018 was a magical year for me, for many reasons, and one of those reasons is because of the students, families, and staff at Avon Elementary School! Thank you for making 2018 so wonderful, and I know that 2019 will be just as special! Have a joyous holiday filled with love, laughter, family, and friends!

"The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart." - Helen Keller
