\*\*Have a wonderful, relaxing summer!!\*\*

Dear Students & Families,

This year has been one of the best years ever! 5<sup>th</sup> grade, I would like to officially welcome you to middle school! As I said in my letter, I am so excited to be your math teacher; next year is going to be great! 6<sup>th</sup> & 7<sup>th</sup> grade, it has been an absolute pleasure teaching you, and I am excited to teach you all again in September! 8<sup>th</sup> grade, I am humbled to have had the opportunity to be your teacher. You are a spectacular group of students, and I know that you are going to do amazing in high school! Please do not be a stranger and know that I am always here for you. Families, thank you for your constant communication and unconditional support.

I hope you all have the most wonderful, relaxing summer. You absolutely deserve it!

Sincerely,  
Ms. LaCugna
