

Avon Home and School (AHSA) Communication Channels

In addition to Avon School Emergency and Timely Notification channels, the Avon Home and School Association (AHSA) offers three additional avenues of communication, all of which are optional.

AHSA EMERGENCY PHONE CHAIN

The AHSA Class Parents conduct a manual phone call chain to notify parent/guardian contacts of a school emergency. Only families who OPT-IN will be called by Class Parents.

- I want to **OPT-IN** to the AHSA Emergency Phone Chain
- I **DO NOT** want my contact information included on the AHSA Phone Chain

AHSA TIMELY E-MAIL DISTRIBUTION LIST

The AHSA regularly notifies families about upcoming events and program sign-ups via email to those included on the AHSA Distribution List.

- I want to **OPT-IN** to the AHSA E-Mail Distribution List
- I **DO NOT** want my contact information included on the AHSA E-Mail Distribution List

AHSA FAMILY DIRECTORY

The AHSA distributes a student/family directory booklet to all AES student families to use to contact each other. The information in the directory is to be used solely for this purpose.

- I want to **OPT-IN** to the AHSA Family Directory
- I **DO NOT** want my family contact information included in the AHSA Family Directory
