5th Science: The enthusiasm over our Lab Safety Projects has been unmatched!! ☺ Can't wait to see the final products!

6th Science: Great teamwork on our Lab Safety Projects this week! Lots of creative ideas ☺

7 & 8 Science: Everyone did great on their Lab Safety Quiz this week! Moving along to our common language of measurement. We are learning about the International System of Measurement aka the Metric System.

7/8 STEAM: We started our first STEM Challenge this week – Apple Annihilator! Students need to design and build an apple wrecking ball!
