### This Week in ELA Grades 6-8...

We made it through our first full week of school!

This week, students completed iReady Reading Diagnostic Assessments during ELA classes. We also practiced working through a flipped classroom routine and we reinforced health and safety procedures.

Starting Monday, middle school students will be launching their ELA coursework. We will begin by reviewing procedures and expectations as a flipped classroom. Then, students will discuss and clarify ELA expectations while working with me in small groups.

Small groups for the week will be posted in Google Classroom.

Have a wonderful weekend!
