

## Grade PK-2 Distance Based Learning Art Appreciation: Early Finisher Activities!

### Wacky Plate Self Portraits!

*-Build a portrait with various objects you can find around the house!*

#### Directions:

- Step 1:** Pick a plate and collect an array of objects from your house including small toys, kitchen items, office supplies, and more!
- Step 2:** Identify parts of the face and sort the items into categories such as eyes, noses, mouths, hair, ears and such.
- Step 3:** Create a portrait using the objects. Move the items around to see what works best! Can you create a plate for each member of your family? Have fun testing this out!
- Step 4:** Take a photo and share it with me so I can see your creative one-of-a-kind portraits!
- Step 5:** Return all items where they belong.

**BE CREATIVE AND HAVE FUN! :)**
