

Section A (Domicile)

Complete this section if **the student is the child of a parent or guardian, or an adult student**, whose **permanent home** is the address given on the Registration Form and is **located in the district**. If you are the student's guardian, or will be the guardian of a student from out of state following expiration of the required 6-month waiting period, you will be asked to provide official papers proving guardianship. You will not be asked to produce "affidavit student" proofs of the type requested in Section B below.

How long have you lived in this home? _____

Do you have any present intention of moving from this home? If so, when and to where?

Do you have residences(s) elsewhere, and, if so, where are they and when do you live there?

Please list four forms of proof (see attached list) you will provide to demonstrate that the address given on the Registration Form of this application is your permanent home.

1. _____

2. _____

3. _____

4. _____

If the student's parents are domiciled in different districts, regardless of which parent has custody, please answer the following questions:

Is there a court order or written agreement between the parents designating the district for school attendance, and if so, where does it require the student to attend school? (You will be asked to provide a copy of this document.)

Section A (Domicile)

Does the student reside with one parent for the entire year? If so, with which parent and at what address?

If not, for what portion of time does the student reside with each parent and at what addresses?__

If the student lives with both parents on an equal-time, alternating week/month or other similar basis, with which parent did the student reside on the last school day prior to October 16 preceding the date of this application?

Please note: No district is required, as a result of being the district of domicile for school attendance purposes where a student lives with more than one parent, to provide transportation for a student residing outside the district for part of the school year, other than transportation based upon the home of the parent domiciled within the district to the extent required by law.

If you are claiming to be an emancipated student, are you living independently in your own permanent home in the district? If yes, please describe the proofs you will provide, in addition to those demonstrating domicile, to demonstrate that you are not in the care and custody of a parent or guardian.

Please note: Under New Jersey law, where a dwelling is located within two or more local school districts, or bears a mailing address that does not reflect the dwelling's physical location within a municipality, the district of domicile for school attendance purposes is that of the municipality to which the resident pays the majority of his or her property tax, or to which the majority of property tax for the dwelling in question is paid by the owner of a multi-unit dwelling.
